#### POSICIÓN MEDIA

Las posiciones de los jugadores son calculadas sobre la base de la posición media de todas las acciones donde se tocó el balón.

#### XG (EXPECTED GOALS)

Es una métrica que asigna a todos los disparos una probabilidad (sobre la base de datos estadísticos históricos), teniendo en cuenta diferentes variables, como la posición en el campo, el tipo de asistencias y otras, que afectan en el desenlace para que un disparo acabe o no en gol. Una métrica moderna que permite estudiar los resultados en función de la calidad o cantidad de las oportunidades creadas y no de la suerte.

#### PASE HACIA ADELANTE / HACIA ATRÀS / LATERAL

Los pases se cuantifican en cuadrantes de 45°. Los pases que superan una longitud de 12 metros se consideran pases laterales.

#### **DESMARQUE**

Pase que desarrolla una acción ofensiva de una manera creativa.

#### SECOND / THIRD ASSIST

El 'Second assist' es el pase anterior del pase de gol. El 'Third assist' es el pase que precede el Second assist. No todas las asistencias están precedidas por second o third assist.

#### **PASE PROGRESIVO**

Pase que mueve significativamente el balón hacia adelante. El requisito mínimo para un pase progresivo hacia la portería adversaria es:

- 30 metros, si los puntos de inicio y fin están en la propia mitad
- 15 metros, si los puntos de inicio y fin están en la otra mitad
- 10 metros, si los puntos de inicio y fin están en la mitad adversaria

#### PASE HACIA EL ÚLTIMO TERCIO

Pase hacia una zona dentro de 35 metros desde la línea de fondo.

#### **DUELO DEFENSIVO**

Duelo que ocurre cuando el equipo adversario está en posesión de balón

#### **DUELO OFENSIVO**

Duelo ocurrido cuando el jugador estaba en posesión de balón

#### PARADA DE RELEJO

Parada de reflejo del arquero.

#### **TRANSICIÓN**

Momento de articulación del juego entre el momento ofensivo, en que se gana el balón, y el momento defensivo, en que se pierde el balón (y viceversa). Según la zona donde ocurre se puede hablar de transición alta, media y baja.

#### **ATAQUE**

Posesión de balón que incluye al menos una jugada en el último tercio del campo adversario.

#### **CONTRAATAQUE**

Consiste en un principio táctico ofensivo en donde el equipo que ataca, roba el balón, y rápidamente se dirige hacia la portería con el objetivo de sorprender al rival (desorganizado en defensa) y conseguir el gol.

#### POSICIONAMIENTO OFENSIVO

Cualquier acción ofensiva (que no sea desde una jugada a balón parado) que no se considera un contraataque.

#### ATAQUE EN PROFUNDIDAD

Pase (excepto los centros) recibido en un radio de 20 metros desde la línea de fondo.

#### **PPDA**

El PPDA es una métrica estadística que permite detectar la intensidad de pressing en el espacio mas allá de los primeros 40 metros del campo del equipo atacante

#### INTENSIDAD DE JUEGO

Número de pases por minuto de posesión del balón.
